

Good Faith Estimate Notice

You have the right to receive a “Good Faith Estimate” explaining how much your healthcare services will cost.

Under the No Surprise Billing Act as part of the Consolidated Appropriations Act, 2021 (CAA) 2., healthcare providers need to give patients who do not have insurance or are not using insurance an estimate of the bill for medical items and services. This is called a Good Faith Estimate.

- You have the right to receive a Good Faith Estimate for total expected costs of any healthcare items or services provided in this office. The Good Faith Estimate shows the total expected cost of any non-emergency items or services and equipment.
- You may request a Good Faith Estimate in advance of an already scheduled healthcare service or item, or before scheduling an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute that bill.
- A copy of the Good Faith Estimate will be provided to you and uploaded to your electronic medical record.

For questions or more information about your right to a Good Faith Estimate or the dispute process, visit <https://cms.gov/nosurprises> or call 1 (800) 985-3059.
